Hi

Trusted Mobile Notary Services in Greater Seattle | Carol Spencer, Notary Public.

Hi, I'm Carol, your friendly and reliable notary public serving the Greater Seattle area! With over 15 years of experience in the mortgage industry, I've developed a keen eye for detail. I have a deep understanding of the importance of accurate document handling. I'm a Certified Signing Agent. I pride myself on providing efficient and professional mobile notary services. These services include real estate closings, loan signings, trust documents, and apostille processing.

But there's more to me than just notary stamps and legal documents! I'm an avid dog lover (you can even catch my furry companion accompanying me on some appointments!), and I'm incredibly proud of my two sons who are serving our country in the military. Life has taken me to many different places. This journey has broadened my perspective. It has also given me a deep appreciation for the diverse needs of my clients.

I'm passionate about serving my community and making notary services accessible and stress-free for everyone. Whether you're a first-time home buyer, a seasoned investor, or simply need a document notarized, I'm here to help. Contact me today, and let's get your documents signed, sealed, and delivered!
