Support Services & Co.® proudly offers a comprehensive range of professional solutions to meet your needs. With over 30 years of diverse office experience, I am here to provide you with remote (and onsite) notary services, and the notarization of loan documents (i.e., refi, modifications, etc.). I understand the importance of accuracy and efficiency in legal matters, which is why we also offer as-needed paralegal litigation assistance in trial book preparation and paralegal research.

From legal research to trial notebook preparation, I am committed to helping you. Additionally, my expertise extends to record management, invoice processing, and assistance in FOIA/PA processes (i.e., requests and redaction, etc.). Contact **Support Services & Co.**® for all your professional support needs.
