In January 1997, I founded the law firm of Lynette Silon-Laguna, P.A., now known as All Family Law Group, P.A., to provide effective, responsive and empathetic legal solutions to divorce, family law, stepparent/relative adoption, as well as criminal defense and bankruptcy cases. Our objective is to provide professional and informed representation in the most expeditious and economical manner possible in consideration of each client's circumstances. Amicable settlement is the ultimate goal, if at all possible, to avoid the financial and emotional cost of litigation. However, sometimes cases cannot be amicably resolved. Under these circumstances, we will aggressively represent you to attain the best result to which you are legally entitled.

We have experienced and compassionate attorneys and legal staff who are all highly committed to the goal of providing excellent legal services to our clients.

Contact us if you have questions regarding divorce, family law, bankruptcy law or criminal defense. We provide a free initial consultation and we will be happy to discuss your options with you! Call us at 813-672-1900 or email us at [info@familymaritallaw.com](mailto:info@familymaritallaw.com). Furthermore, we accept MasterCard, Visa, Discover, American Express, PayPal, checks, cash, android and apple pay and we charge reasonable and competitive rates.
